I'm sorry for the sudden announcement.

At the end of September, I will be graduating from Quadlips and returning to SKE48.

After many discussions with the company, I made this decision.

These past two years have been a big challenge for me, and I was able to gain so many valuable experiences.

Because I joined Quadlips, I was also able to meet overseas fans. That made me very happy.

Thank you so much for giving me so many warm words of support during these two years.

Thanks to all of you, I was able to keep going until now.

Although there is only one month left, please continue to support me as Hina of Quadlips until the very end.

I love you all and Quadlips 

Hina
